Article IV — Management

The Company is **manager-managed**. Management is vested in one or more managers pursuant to Wyo. Stat. § 17-29-407(c) and the Company's Operating Agreement.

The members have so elected in the Operating Agreement (`OPERATING-AGREEMENT.md`), Article V) and the Initial Resolutions (`INITIAL-RESOLUTIONS.md`).

Article V — Purpose

The Company is organized to engage in **any lawful business, purpose, or activity** for which a limited liability company may be organized under the laws of the State of Wyoming.

For descriptive reference (not a limitation): the Company develops and licenses **non-custodial financial software and tokenization infrastructure** — a non-custodial wallet, double-entry ledger, decentralized-identity/verifiable-credential systems, and agent-native commerce tooling. In **Phase A** the Company does not take custody of customer funds, does not move customer money as an intermediary, and **is not a bank**. See `CORPORATE-STRUCTURE.md` §6 and `docs/GOEMON-BRAND.md` §5. [⚖] **regulated-scope counsel**.

IN WITNESS WHEREOF, the undersigned organizer has executed these Articles of Organization.

4 Post-filing checklist (do not file this section — operational reminders)

These are authorized in `INITIAL-RESOLUTIONS.md` and tracked in `CORPORATE-STRUCTURE.md` §9–§10:

1. **Obtain EIN** from the IRS (free; gates the corporate bank account). [• EIN: ____-____ once issued]
2. **Adopt the Operating Agreement** — `OPERATING-AGREEMENT.md` (the governance cornerstone).
3. **Execute the IP / Technology Assignment** (repo code, designs, Goemon marks, domains → the Company). The single highest-priority post-formation action — see `CORPORATE-STRUCTURE.md` §5. (*Drafted separately; ⓘ.*)
4. **FinCEN Beneficial Ownership Information (BOI) report** — confirm current applicability and deadline; report the beneficial owners (Chad Cromwell 51%; Oran Cromwell 40%) and company applicant if required. ⓘ — **BOI rules have shifted; verify current status before relying on any deadline.**
5. **Foreign-qualify** in the home state of operation; appoint a registered agent there.
6. **Open the corporate bank account** (Mercury / Brex per `CORPORATE-STRUCTURE.md` §7) — no commingling; keep customer-adjacent funds (if any ever arise) in separate FBO/escrow.
7. **File the trademark** for the Goemon marks (USPTO), company-owned via the IP assignment.

8. Calendar the Wyoming annual report (anniversary month) and registered-agent renewal.

These Articles, once filed, establish the Company. Internal governance — ownership, management, capital, the equity plan — lives in the Operating Agreement and is adopted by the Initial Resolutions, not in this public filing.
